Positive Behavior Support

at Strafford Middle School

What is PBIS?

PBIS is the application of evidence-based strategies and systems to assist schools to increase academic performance, increase safety, decrease problem behavior, and establish positive school cultures. The focus of PBIS is on a school-wide system of support that includes strategies for defining, teaching, and supporting appropriate behaviors to create a positive school environment. Support or strategies to achieve positive behavior are taught in all areas of the school, including individual classrooms and common area and throughout the school (cafeteria, library, rest-rooms, etc.)

Why PBIS?

The purpose of school-wide PBIS is to establish a climate in which appropriate behavior is the norm. PBIS provides a positive and effective alternative to the traditional methods of discipline. PBIS methods are research-based and proven to significantly reduce the occurrence of problem behaviors in the school, resulting in a more positive school climate and increased academic performance. Introducing, modeling, and reinforcing positive social behavior is an important aspect of a student's educational experience. Teaching behavioral expectations and recognizing students for following them is a much more positive approach than waiting for misbehavior to occur before responding.

What does this mean for the student?

- Students will know and follow the Behavior Expectations:

As a student of Strafford Middle School, I will be
Safe
Respectful
Resourceful
A Responsible Learner

- Students will have the opportunity to practice positive behavior all year long.
- Students will be recognized for their positive behavior on a regular basis.

The academic program is the first priority at SMS, but in order to aid students in developing as a total person, many co-curricular activities are offered. Students should be encouraged to take part in any activity that is of interest to them. To have students active in school-related areas they enjoy is productive for both the student and the school.

Student Activities Include:

Basketball (Boys & Girls)	Baseball
Cheerleading	Cross Country (Boys & Girls)
Football	FFA (8 th grade)
Honor Choir	National Junior Honor Society
Softball	Student Council
Track (Boys and Girls)	
Volleyball	

Participation in the activities program is a privilege. When a student's conduct in school results in a suspension of any type, the student will be excluded from the activities program for a specific length of time. The scope and sequence for exclusion from activities is explained in the citizenship standards for extra-curricular activities.

*** If you have any questions regarding homework, please contact your son/daughter's teacher.**

Progress Reports

Progress Reports are emailed to parents during each nine-week period for classes in which a student is receiving below a C-.

Summer School

A student will have to attend summer school should the student fail one full semester of a core subject area such as math, science, social studies or communication arts. Should a student fail one semester of reading, that semester will have to be made up in summer school. The guidelines for summer school are as follows: 1) a student cannot be absent for more than one day, otherwise the student will be dropped from summer school and will have to repeat the grade they were in, 2) a student cannot be tardy more than twice or the student will be dropped from summer school and will have to repeat the grade they were in.

Guidance

School guidance services are provided as part of the total education program at Strafford Middle School. Students may receive counseling services from the district's counselors. If a student receives counseling services outside the district, it must be done outside school hours unless it is arranged by the parent/guardian with the building principal.

Prearranged Absences

If a student and his/her parents or guardians have prior knowledge of an absence, it is suggested that the principal's office be contacted and informed of such absences. This will assure the student that missed work may be made up, and the teachers can give the student the work in advance. Please be sure to check in advance to determine if the absence will be excused.

Attendance

Regular attendance is a predictor of future success. Two major reasons students fail are poor attendance and lack of effort. Frequent absences lead to a lack of responsibility. The guidelines of the policy adopted by the Strafford R-VI Board of Education will be followed, refer to policy JED-R. Absences for school-sponsored activities will not be counted as absences when the student is under the direct supervision of a school staff member (field trips, athletic events, music events and club-organization events). Makeup assignments must be completed in advance or at the request of the teacher due to an absence for a school-sponsored activity. The school cannot teach pupils who are not present. Frequent absence of pupils from regular classroom learning experiences disrupts the continuity of the instructional process, and the benefit of regular classroom instruction is lost. Continual absenteeism does little to develop students' sense of responsibility for their behavior. All absences are unexcused unless a physician's note is brought to the office. Absences are also excused in the case of a death in the family or hospitalization. Judgment calls will be made by the principal or assistant principal.

Regular school attendance is compulsory by law (167.031, 167.033, 167.051) and by the STRAFFORD Board of Education for any student enrolled in the STRAFFORD Schools, unless exempted by law (167.031 or situations over which the student or his/her parents have no control. The school administration and teachers are expected to enforce the law (167.111) and policy regarding regular attendance. The administration will determine if circumstances for absences are those over which the parents, legal guardians or students have no control. Students who are absent for other reasons shall be considered truant and subject to school disciplinary procedures. Continued truancy will be subject to enforcement in accordance with the law (167.061, 167.071, 167.111). Parents or guardians are compelled by law (167.031, 167.061) to cause their children to attend school regularly. A student shall be allowed a maximum of five (5) instances of absence from school for any reason, including suspension, during a semester. A student shall be permitted to make up work missed as a result of any of the first five (5) absences. It shall be the student's responsibility to meet with the teacher, receive the necessary instruction and assignments, and complete those assignments after returning to school following the absence. After the third absence, the parent or guardian will be notified in writing as to the student's standing with a copy of the attendance policy and rules and regulations included. Absences in excess of five (5) instances during a semester will result in failure for the semester unless the student and his/her parent or guardian can justify the excessive absence(s) before a committee of concerned school persons. Family vacations are discouraged during the school year. Prior notification to principal, secretary, and teachers must be established. To obtain grades, all work must be turned in.

LAW ENFORCEMENT REGARDING COMPULSORY ATTENDANCE
(City Of Strafford, Ordinance 606)

Parents of students failing to meet the compulsory attendance law can be subject to prosecution as outlined in Ordinance 606, City of Strafford. As stated in the ordinance Section 8: Any parent, guardian or other person having charge, control or custody of a child, who violates any provision of this ordinance shall be guilty of violating this ordinance and shall be fined no less than One Hundred Dollars (\$100) and/or imprisonments for up to thirty (30) days, after which each successive school day shall constitute a separate violation of this ordinance.

Attendance Review Committee (ARC)

Excessive absences may need to be reviewed by the Attendance Review Committee to determine whether a student should receive credit for missing assignments. The ARC will consist of the Principal, Middle School Counselor, and the teachers of the student making the appeal. If the student and/or parents or guardians wish to appeal the decision of the ARC, they may do so to the Superintendent of Schools and then the Board of Education.

Tardies

Being on time and prepared to begin work is an important skill to develop. With proper planning, the student should not be tardy; there are four minutes between classes. The student is tardy if he/she is not in his/her classroom when the tardy bell rings. Students will be disciplined for tardies as follows:

1. Warning given by teacher
2. Lunch Detentions
3. Principal conference and 4 Lunch Detentions
4. 1 Day of ISS
5. 2 Days of ISS
6. Handled on an individual basis with punishments ranging from 1-10 days of ISS or 1-10 days of OSS.

Students will be given a "clean slate" in regards to tardies at the beginning of the second semester. The step system listed above will begin at that time.

Withdrawal From School

All students who withdraw from school for any reason must obtain a withdrawal form. This is to be taken to each teacher and to the library, and all books and school property are to be returned. State law states that new students will not be admitted to school, even for the day, unless health records are presented. Be certain that all health records are obtained when you check out of school.

Visitors

The visitors who come to this school form an immediate impression of the school based on the actions of the students. This means that the students should be polite and courteous at all times. A good appearance of the students reflects a good school. Any visiting student must be pre-approved before the day of the visit and must also get a visitor's pass from the principal's office. No student will be allowed to visit the Middle School if that student is supposed to be attending classes elsewhere or has been suspended or dropped from another school. All visitors must report directly to the principal's office. Visitors are required to check in at the middle school office. During school hours, no visitors are allowed beyond the office unless they have a meeting with faculty or are coming to eat with a student during the lunch hour.

Lost and Found

All valuables should be kept at home, as the school is not responsible for any lost items. All unclaimed clothing items are donated at the end of each quarter after announcements are made to both students and parents.

Use of Telephone

Students must be granted permission to use a school phone by the secretary, principal, or classroom teacher. Requests should be made for emergency use only. Cell phones are **NOT** permitted (see electronic device under discipline).

Locker

A locker will be issued to students for the protection of their personal possessions. Locker combinations must be kept confidential and lockers must be locked at all times in order to insure protection. Use only the locker assigned to you and do not move from your assigned locker. If a student chooses to move without permission they will be disciplined by the principal. There will be one school wide locker clean out each semester. Do not store valuable items in your locker. Please report any locker problems to the office immediately. School officials have the right to inspect all lockers.

Insurance

An optional student accident insurance is available to Strafford students. Forms will be available to all students at the beginning of school. Parents should send the insurance forms directly to the insurance company. More information is available in the Middle School Office.

Breakfast/Lunch Program

The school provides both breakfast and lunch programs for students. Breakfast and lunch is free for ALL students this year (2021-2022). A second breakfast or lunch will be charged. Breakfast is served from 7:40 to 8:00 a.m. daily. Prices are as follows: Breakfast is \$2.15 (full) and \$.30 (reduced); Lunch \$2.90 (full) \$.40 (reduced).

Cafeteria Expectations

Cafeteria manners are expected to be based on common courtesy and thoughtful actions. The following guidelines are to be followed:

1. Seating will be assigned by class. The administration will then decide if students may select their own seating.
2. Excessive noise cannot and will not be tolerated.
3. All students are to stay in their seats except while picking up lunch, returning their tray, on their one trip to the snack line.

4. Each student is responsible for cleaning his/her eating area and for returning the lunch tray to the window.
5. Students who create problems during lunch will be assigned seats or will help clean the cafeteria.

Nurse's Office Procedures and Policies

The nurse's office is scheduled to be open daily from 8:00 a.m. to 3:30 p.m. It is located next to the high school office. Phone number: 736-7000 ext. 1442.

1. Students may report to the nurse's office in case of an emergency, illness, or injury after notifying the Principal's office. Students must check back in at the Principal's office upon returning to the building.
2. The school nurse will contact the parent or guardian regarding dismissal from school due to illness or injury. The nurse will also contact the Principal's office.
3. Students must contact the Principal's office upon returning to school after being absent.
4. Changes in medication policy as governed by the Missouri Department of Elementary and Secondary Education, the Missouri State Board of Nursing, and adoption of the Strafford R-VI Board of Education will be strictly enforced. Please check your enrollment packet for a description of this policy.

Discipline Code

Students of the Middle School should take great pride in high standards of conduct. Good behavior on the part of the student body is imperative if quality education is to occur. Good behavior also creates an atmosphere of safety and comfort. Students are expected to follow the rules established by the teachers in each class, and the rules governing the behavior in the hallway and around the building. The Strafford R-VI Discipline Policy further specifies the Student Conduct and punitive measures. This policy can be found further in the handbook.

Out-Of-School Suspension (OSS)

The student is to remain out of school, they will receive credit for work. Extracurricular activities and attendance of any school function is prohibited. A parent/guardian must accompany the student upon re-entry to school. Students who are in out-of-school suspension will NOT be allowed to participate in any school sponsored activities on those days. (A day will be defined as the first day of the suspension and any day the student is in suspension. The last day will be complete at midnight of that day.)

School Bus Regulations

Good student discipline is essential for the safe operation of our school buses. Expected bus behavior is set at the same standard as school behavior. Students must respectfully obey the bus driver. A student that wishes to ride the bus with a friend or relative must have a written note that is to be signed by the principal's office.

Specific bus misbehaviors include: throwing objects, sticking head or hand(s) out of the windows, damaging the bus, fighting, use of profane language, insubordination to the bus driver, and lighting matches or smoking on the bus. The first violation of proper bus conduct will usually result in a conference with the principal and notification of the parents, along with an assigned seat for 10 days, although a serious first violation may result in immediate bus suspension or an in-school suspension. A second violation of bus conduct will result in a warning notice describing the incident to a parent. The student will sit in an assigned seat for the remainder of the year (days in which the student does not ride the bus DO NOT count

towards the 10 days.) The third bus offense will result in a suspension from riding the bus for a minimum of five days. Total number of days will be determined by the seriousness of the offense. Further violations will equal increased suspension to expulsion from riding the bus.

Hall Behavior

Consideration of others in the halls is expected. Noise of any nature should be kept to a minimum. Teachers will monitor the halls and are in charge at all times. Plan your restroom and drinking fountain stops into your schedule at appropriate times so you won't have to rush.

Food

Only food intended for lunch should be brought into the building. Lunch beverages may not be brought in unsealed containers. Beverages in glass containers should not be brought to school. No food is to be eaten anywhere except the cafeteria at lunch. Candy is considered food under this rule. No food or beverage should be brought back to the building after lunch. Violation of food rules may result in detention and confiscation of food items.

Band & Choir

Students who choose to enroll to be a member of band and/or choir will remain in that class for the entire year. The administration will have the right to make any changes to a students' schedule. Students may drop band/choir classes ONLY at the end of a quarter and with the combined signatures of teacher, parents, and counselor.

Student Dress Code

Good grooming and appearance on the part of the students are very important in the overall morale of the school community. Students should set a high standard of grooming and appearance for themselves so they will be pleasant to be near. During their school years, students begin setting patterns for themselves and their future lives. It is the responsibility of school authorities to help guide the future adults in the right direction of grooming and appearance. So many times in life, the cleanliness, neatness, and overall appearance of a person will determine his/her chances of getting that certain job or receiving the promotion that he/she really deserves. Students should not wear clothing that distracts and disrupts the education process. Any article of clothing or adornments that will distract or disrupt the educational process will not be permitted.

Examples:

- A. No billfold chains or chains of any type on clothing are allowed at school.
- B. No clothing shall be worn or brought to school with obscene, vulgar, violent, or profane slogans or pictures or with advertisements of alcohol, tobacco, or other illegal substances appearing on it.
- C. Halter tops and tops that allow bare midriffs or bare sides will not be permitted as a part of a student's dress. No shirts with sleeves torn off may be worn. No spaghetti strap tops, or crop tops will be allowed. No underclothing may be visible. No backless tops.
- D. Shorts may be worn to school. The following clothing articles are deemed objectionable and, therefore, should not be worn to school: bicycle shorts, spandex or body glove shorts, brief tennis shorts, short coaches shorts, cutoff sweats (unless hemmed), men's boxer shorts, shorts with rips, tears, or frayed legs, track/baseball shorts with split legs, brief-type shorts, short shorts (if shorts are shorter than closed fist, extended arms, on outseam), and pants and shorts must be worn above the hipbone. Students will be sent home or required to change should they come to

school in shorts that are not in good taste. Spandex shorts may be worn under other shorts that are of reasonable length.

E. No trench coats or dusters

F. No clothing may be worn that displays holes **above** the knee. Rule of judgment will be nothing **above** knuckles of a closed fist with extended arms on outside seam. Questionable apparel will be left to the judgment of the administration.

G. Hats and other headgear are not to be worn in the building.

H. Sagging jeans/pants/shorts will not be permitted

I. Shoes must be worn at all times.

J. Those items required for safety purposes will be worn in individual classes (safety glasses, etc.).

Students who violate the dress code will be dealt with according to the school discipline policy.

Obviously these rules and regulations do not completely cover the subject of good dress and grooming. The administration and teachers may set dress code regulations that are appropriate for specific functions. Other questions or problems that arise will be left to the judgment of the principal.

Dress Code Violation

- 1) Change Clothes/Detention
- 2) Change Clothes/1 day In School Suspension
- 3) Change Clothes/1-3 days Out of School Suspension with parent Conference.

STUDENT DISCIPLINE

The Student Code of Conduct is designed to foster student responsibility, respect for others, and to provide for the orderly operation of district schools. No code can be expected to list each and every offense that may result in disciplinary action; however, it is the purpose of this code to list certain offenses, which if committed by a student, will result in the imposition of a disciplinary action that is appropriate to the age and developmental level of the child. These disciplinary actions may range up to the consequences listed. Any conduct not included herein, any aggravated circumstance of any offense, or any action involving a combination of offenses may result in disciplinary consequences, including corporal punishment, that extend beyond this code of conduct as determined by the principal, superintendent, and/or Board of Education. In addition, placement in an alternative education setting, in keeping with the Safe Schools Act, may be used by administrative decision. This code of conduct is in force on all school property, on school buses, and at school activities regardless of whether or not school is in session. In extraordinary circumstances where the minimum consequence is judged by the superintendent or designee to be manifestly unfair or not in the interest of the district, the superintendent or designee may reduce the consequences listed in this policy, as allowed by law. This code includes, but is not necessarily limited to, acts of students on district property, including playgrounds, parking lots, and district transportation, or at a district activity, whether on or off district property. The district may also discipline students for off-campus conduct that negatively impacts the educational environment, to the extent allowed by law (House Bill 1543).

Reporting to Law Enforcement

It is the policy of the Strafford R-VI School District to report all crimes occurring on district property to law enforcement, including, but not limited to, the crimes the district is required to report in accordance with law. A list of crimes the district is required to report is included in policy JGF.

The principal shall also notify the appropriate law enforcement agency and superintendent if a student is discovered to possess a controlled substance or weapon in violation of the district's policy.

In addition, the superintendent shall notify the appropriate division of the juvenile or family court upon suspension for more than ten (10) days or expulsion of any student who the district is aware is under the jurisdiction of the court.

Documentation in Student's Discipline Record

The principal, designee or other administrators or school staff will maintain all discipline records as deemed necessary for the orderly operations of the schools and in accordance with the law and policy JGF.

Conditions of Suspension, Expulsion and Other Disciplinary Consequences

All students who are suspended or expelled, regardless of the reason, are prohibited from participating in or attending any district-sponsored activity, or being on or near district property or the location of any district activity for any reason, unless permission is granted by the superintendent or designee. In addition, the district may prohibit students from participating in activities or restrict a student's access to district property as a disciplinary consequence even if a student is not suspended or expelled from school, if appropriate.

In accordance with law any student who is suspended for any offenses listed in § 160.261, RSMo., or any act of violence or drug-related activity defined by policy JGF as a serious violation of school discipline shall not be allowed to be within 1,000 feet of any district property or any activity of the district, regardless of whether the activity takes place on district property, unless one (1) of the following conditions exist:

1. The student is under the direct supervision of the student's parent, legal guardian, custodian or another adult designated in advance, in writing, to the student's principal by the student's parent, legal guardian or custodian, and the superintendent or designee has authorized the student to be on district property.
2. The student is enrolled in and attending an alternative school that is located within 1,000 feet of a public school in the district.
3. The student resides within 1,000 feet of a public school in the district and is on the property of his or her residence.

If a student violates the prohibition in this section, he or she may be suspended or expelled in accordance with the offense, "Failure to Meet Conditions of Suspension, Expulsion or Other Disciplinary Consequences," listed on page 23.

PUBLIC COMPLAINTS

The Board recognizes that situations of concern to parents/guardians or the public may arise in the operation of the district. Such concerns are best resolved by addressing them at the level where the concern originated through communication with the appropriate staff members. The administration has developed procedures for addressing those issues, copies of which are available at each building. Any concern regarding federal programs administered by the Missouri Department of Elementary and Secondary Education (DESE) may also be appealed to DESE or the United States Department of Education as permitted or required by law.

If a complaint has been made and appealed in accordance with administrative procedures, the parent/guardian or member of the public may appeal the issue to the Board by submitting a written request to the superintendent or the secretary of the Board. The Strafford R-VI School District has legal jurisdiction over students during the school day and hours of approved extracurricular activities. The school administration is responsible for making an effort to protect each student's rights with respect to interrogations by law enforcement officials. When law enforcement officials find it necessary to question students during the day or periods of extracurricular activities, the school principal or designee will be present.

Students will be afforded the same rights in dealing with law enforcement officials that exist outside the school; parents must be notified, students must be informed of their constitutional rights by the law officials, students may remain silent if they so desire and then must not be subjected to coercion or illegal restraint. However, within the framework of legal rights, students have the responsibility to cooperate with law enforcement officials.

SEARCHES BY SCHOOL PERSONNEL/CANINE

School lockers and desks are the property of the Board of Education and are provided for the convenience of students and as such are subject to periodic inspection without notice. The lockers and desks may be searched by school administration who have a reasonable suspicion that the lockers or desks contain drugs, alcohol, material of a disruptive nature, stolen properties, weapons, or other items posing a danger to the health or safety of students and school employees.

For the safety of students and staff, random drug searches will occur throughout the school year using specially trained sniffing dogs. These animals will be used to conduct periodic random searches of student lockers and personal belongings and campus vehicle parking areas.

Student property, including vehicle may be searched based on reasonable suspicion of a violation of district rules, policy or state law. Reasonable suspicion must be based on facts known to the administration, credible information provided or reasonable inference drawn from such facts of information. Personal searches and searches of student property shall be limited in scope based in the original justification of the search. The privacy and dignity of students shall be respected. Searches shall be carried out in the presence of adult witnesses and never in front of other students. Students shall not be required to undress, although they may be asked to empty pockets or remove jackets, coats, shoes and other articles of exterior clothing for examination if reasonable under the circumstances.

Law enforcement officials shall be contacted if the administration reasonably suspects that a student is concealing controlled substances, drug paraphernalia, weapons, stolen goods or evidence of a crime beneath his outer clothing and the student refuses to surrender such articles. Law enforcement officials may be contacted in any case involving a violation of law when a student refuses to allow a search or where the search cannot safely be conducted. Parents may also be contacted.

REMOVAL OF STUDENTS FROM SCHOOL BY LAW ENFORCEMENT OFFICIALS

An officer of the law may take a student from the school only if the officer has ready for service a subpoena, a warrant for arrest, or an order for civil arrest. The school principal will attempt to notify the student's parent/guardian that the student is being removed from school. Occasionally, a principal may find it necessary to call the law enforcement officials for assistance in handling a student case, responsible for a serious offense committed at school. In such a case, the officials may not arrest the student unless a sworn complaint is filed. However, the circumstances may, from time to time, justify the removal of the student from school in the absence of a complaint or warrant.

MY COMMITMENT TO SAFETY

print your name here

I want Strafford Middle School to be a place where all students feel safe and treat each other with respect.

I will not humiliate, bully, tease or hurt anyone. If I hear humiliation, bullying, or teasing, I will tell the person to stop and report it to an adult.

I will immediately report any threats of violence, suicide, presence of weapons, explosives, or drugs to school administrators, allowing them to investigate and determine the seriousness of the report.

I understand that I have an essential role in school safety and violence.

I will promote the acceptance of individual differences, recognizing that diversity contributes to the strength of Strafford Middle School.

I realize it is my responsibility to notify the middle school office in writing on or before **Friday, August 27** if I do **NOT** want my child included in media publications (which may include: district, building and classroom newsletters, district website, yearbook, and other district means of promoting student achievement).

I have read and reviewed the student handbook, the legal and public notices therein set forth by federal and state statute, and the policies of the Strafford R-VI Board of Education. I am aware that for more information I can refer to the Strafford R-VI Policy Manual on the school website, www.straffordschools.net.
