AUGUST/SEPTEMBER 2018

FROM THE SUPERINTENDENT

BY BRETT SODEN, SUPERINTENDENT

The Strafford R-VI School District is excited to start the 2018-2019 school year. Our main goal is to provide the best possible education for students. We will strive to be one of the best school districts in the state of Missouri. Strafford schools are proud of our students, staff, and community.

There are several ways you can assist the school in communication efforts. For instance, visit the school website, download the mobile app, follow our school social media pages, and provide a current email address. We will work hard to make sure that parents have the opportunities to get as much information as possible from the Strafford School District.

We are excited for our new administrators at Strafford High School. Doug Fields will be returning to the district as the high school principal. Mr. Fields taught history at Strafford for twelve years before serving as the high school principal at Fordland. Brett Bough will be the assistant principal and athletic director. Mr. Bough has taught and coached at Strafford for seven years. We have also added Brandon

Kovach to our technology department. This is a new position added in preparation for expanding technology opportunities to all students in the Strafford School District. Mr. Kovach brings twenty-three years of school district technology experience to Strafford.

The returning administrators for the 2018-2019 school year include: Dr. Michelle Gardner, Elementary Principal; Dr. Ashley Bough, Assistant Elementary Principal; Marcia Chadwell, Middle School Principal; Shane Pierce, A+ Program Director and Assistant Middle School Principal; Dawnielle Baker, Special Education Director.

New faculty members will report to school on Thursday, August 9 and all returning faculty members will report on Friday, August 10. Students will begin classes on Wednesday, August 15.

We look forward to a great 2018-2019 school year. You may contact the central office if you have any questions at 736-7000 ext. 1500.

CHANGES TO THE YOUR SCHOOL NEWS DELIVERY

The district has decided to change the delivery method of the newsletter in the future. The August/September 2018 edition will remain the same and be mailed as normal.

Beginning with the October/November 2018 edition, we will **not** be mailing the newsletter to every Strafford mailbox. The district will be emailing it to all staff and parents/guardians of current Strafford students. We will also continue to have it available on our school website and mobile app. A mailing list will be created for anyone who wishes to still receive a paper copy in the mail. If you want to be placed on the mailing list, please contact Marcy Easterly at 736-7000 ext. 1503 or marcye@straffordschools.net.
