*Timely notice that the parent's child has been assigned, or has been taught for four or more consecutive weeks by a teacher who is not highly qualified.

ACADEMICS

ACADEMIC LETTER

Academic letters are awarded annually to those students in grades 9 through 12 who meet the criteria.

1. Must have a minimum 3.336 (B+) grade point average based on first and second semester grades and have no grade below a "B". Grades and grade point averages are based on non-weighted grades for academic letters.
2. Must have participated in a minimum of one extra-curricular activity.
3. Must have accumulated a minimum of five (5) credits. Note: seniors must have only accumulated the number of credits they need to graduate.
4. A student must be enrolled within the school district prior to and continuously following the 10th school day of the school year.
5. Students receive a letter the first year they qualify and a bar for each succeeding year.

DUAL CREDIT COURSES

Dual credit is a way of earning high school and college credits simultaneously for a college level course, which is taught at the high school location. Students wishing to obtain college credit must officially enroll for the course and pay college tuition. Dual credit is open to juniors and seniors who have met the criteria listed below. The high school grade earned will be the grade recorded on the high school transcript. The grade received for the college class will be reported on the college transcript permanently. Dual credit may help students successfully transition to the college educational demands while having the support of high school teachers. The completion of dual credit courses may also shorten the amount of time required after graduation to complete a college degree.

It is the responsibility of the student to check with the college he or she plans to attend for dual credit transferability from the college offering the dual credit course.

Dual credit criteria from Coordinating Board for Higher Education policy (Section 6.3):

1. Students in the 11th and 12th grades with an overall minimum grade point average of 3.0 (on a 4.0 scale) are automatically eligible for dual credit courses.
2. Students in the 11th and 12th grades with an overall grade point average between 2.5 - 2.99 (on a 4.0 scale) must provide a signed permission form by the principal or counselor. Permission from the parent or guardian will also be required.
3. University requirements must be met as well. These requirements vary depending on the University and department.

GPA

Grade point average will be determined on the following basis for all courses:

A = 4.000	B- = 2.670	D+= 1.338
A- = 3.667	C+= 2.337	D = 1.005
B+= 3.336	C = 2.004	D- = .662
B = 3.003	C- = 1.671	F = .000

LETTER GRADE SYSTEM

In accordance with school policy, our grading scale is as follows:

A	93-100%	C	73-76%
A-	90-92%	C-	70-72%
B+	87-89%	D+	67-69%
B	83-86%	D	63-66%

B-	80-82%	D-	60-62%

EARLY GRADUATION

The Strafford Board of Education recommends that all students attend high school for eight semesters. However, if a student demonstrates the ability to finish all requirements before the eight semesters are over and is enrolled in a college, university, or the military, then special arrangements may be made through the principal to complete an early program. Written requests must be submitted to the principal one semester before the student's graduation date. Signatures of the student and parent/guardian, and a conference with the H.S. principal are required.

A+ SCHOOLS PROGRAM - [A+ Information Link](#)

The A+ Schools Program is a school-improvement initiative established by the Outstanding Schools Act of 1993. The primary goal of the A+ Schools Program is to ensure that all students who graduate from Missouri high schools are well prepared to pursue advanced education and employment. Participating schools are encouraged to:

- Reduce the dropout rate
- Raise academic expectations by eliminating general track courses
- Provide career guidance for all students
- Work closely with business and higher-education leaders to better prepare students for their lives after graduation.

Students who graduate from a designated A+ high school may qualify for a state-paid financial incentive to attend any public community college or career/technical school in Missouri if the student successfully meets state and local requirements.

HONOR CORDS

Students graduating with honor are recognized by wearing honor cords at graduation. To be eligible for an honor cord a student must be enrolled within the school district prior to and continuously following the 10th day of the student's senior year. The following are the criteria for honor cords based on seven semesters:

Gold Cords (Summa Cum Laude) 3.75-4.00 GPA

Silver Cords (Magna Cum Laude) 3.50-3.74 GPA

White Cords (Cum Laude) 3.25-3.49 GPA

STUDENT DRESS AND APPEARANCE

Good grooming and appearance on the part of the students are very important in the overall morale of the school community. Students should set a high standard of grooming and appearance for themselves so they will be pleasant to be near. During their school years, students begin setting patterns for themselves and their future lives. It is the responsibility of school authorities to help guide the future adults in the right direction of grooming and appearance. So many times in life, the cleanliness, neatness, and overall appearance of a person will determine his/her chances of getting that certain job or receiving the promotion that he/she really deserves. Students should not wear clothing that distracts and disrupts the educational process. Any article of clothing or adornments that will distract or disrupt the educational process will not be permitted.

EXAMPLES:

- No clothing shall be worn or brought to school with obscene, vulgar, violent or profane slogans or pictures, or with advertisements of alcohol, tobacco, or other illegal substances appearing on it.
- No chains or loose straps on clothing due to safety.
- Halter tops and tops that allow bare midriffs or bare sides will not be permitted as a part of a student's dress. No shirts with sleeves torn off may be worn.
- No spaghetti strap tops or crop tops will be allowed. No underclothing may be visible. No backless tops. No oversized extra large t-shirts.
- Shorts may be worn to school that are appropriate. The following clothing articles are deemed objectionable, and therefore should not be worn to school: bicycle, spandex, body glove, brief tennis, cutoff sweats (unless hemmed), pajamas or house shoes, boxer or brief-type shorts, tears, or frayed legs, split legs. Shorts that are shorter than open hand fingertips with extended arms on the outside seam.
- No trench coats or dusters.
- No clothing may be worn that displays holes **above** the knee. Rule of judgment will be nothing **above** open hand finger tips with extended arms on the outside seam. Questionable apparel will be left to the judgment of the administration.
- Hats and other headgear are not to be worn in the building.
- Shoes must be worn at all times.
- Those items required for safety purposes will be worn in individual classes (safety glasses, etc.) Students who violate this code will be dealt with according to the school discipline policy. Obviously these rules and regulations do not completely cover the subject of good dress and grooming. The administration and teachers may set dress code regulations that are appropriate for specific functions. Other questions or problems that arise will be left to the judgment of the principal.

Dress Code Violation

- 1. 1-3 days Out of School Suspension with parent conference

STUDENT LIFE

DRUG TESTING

Strafford High School will drug test high school students who are members of extra-curricular and co-curricular organizations. The guidelines of the policy adopted by the Strafford R-VI Board of Education will be followed.

EXTRA-CURRICULAR ACTIVITIES

Students must be in attendance all day in order to attend an extracurricular activity unless prior approval by the Principal has been granted. Once a student has been admitted into an extracurricular activity they will not be allowed to leave and re-enter.

MAIN OFFICE

Students should transact business before school or after school in the main office located in the front of the high school building.

ACTIVITIES

Strafford High School has several organizations to which students may belong provided they meet the specific requirements as outlined in each group’s constitution. Students should check with each organization’s sponsor to see if they qualify. Students should realize that time limits the number of extra-curricular activities in which they may participate. Since classroom work always comes first, a student must be sure that he/she does not overload him/herself to the point that grades suffer. No grades are earned by belonging to any organization. Students who receive disciplinary referrals are subject to review as to their eligibility to participate in extracurricular activities.

Standards of Participation

The following is a list of minimal standards that all students must meet and maintain before membership in any organization or on any athletic team will be granted. Note: certain organizations or groups may establish additional specific requirements with permission of the principal.

- 1. A minimum of a C- grade average with (1) F.
- 2. Must regularly display proper citizenship and attitude as determined by teachers, students and administrators.

The following is a list of extracurricular organizations at Strafford High School:

National Honor Society	FFA	Art Club	Thespian Society	Tri-M	Scholar Bowl
FCCLA	Student Council	FTA	FBLA	Spanish Club	Robotics Club

ATHLETICS

The interscholastic sports program is an important part of the total educational plan offered by the Strafford Schools. The following is a list of those sports which are sponsored by the Strafford schools. Note: students who wish to participate in the interscholastic sports program must receive a physical checkup and must be covered by accident insurance prior to engaging in practice sessions.

<u>Fall</u>	<u>Winter</u>	<u>Spring</u>

BOOKS, EQUIPMENT, AND SUPPLIES

Textbooks, Chromebooks, and supplementary reference books are provided to students by the school. Textbooks are assigned on an individual basis. Notebooks, papers, and other supplies necessary for use in courses are to be purchased by the students themselves. The students must pay for damaged or lost books or supplies.

BUS REGULATIONS

Students must realize that riding the bus is a privilege and not a right. Students must follow all regulations of the district. Students are to follow all regulations posted on each bus.

CAFETERIA

Breakfast will be available to all high school students in the classroom from 7:50 to 8:10 a.m. No student is to leave the school grounds or not be in the cafeteria during the assigned lunch. This is considered and will be disciplined as truancy. Identification cards are issued to everyone in the building. Each student is assigned an account number. To purchase lunch, students must have their money in their account by 9:58 a.m. Student account envelopes are available in the cafeteria. The student must place money in the envelope to be deposited in the student's account. Trays, milk, and juice may be purchased with the student cards. Students must have their Identification Badges to scan for meals, or have their finger scanned; students without an ID will go to the end of the line. Students will be allowed to charge up to \$5.00 on their account. For health and sanitation, peer pressure and management purposes no sharing of food is allowed. If a student chooses to purchase a meal for another student, he/she must deposit money in that student's account before 9:58 a.m. each day. **NO VISITORS ALLOWED.**

EMERGENCY PROCEDURES

Follow all procedures posted in each classroom.

HALLWAY BEHAVIOR

Consideration of others in the halls is expected. Noise of any nature should be kept to a minimum. Teachers will monitor the halls and are in charge. Plan restroom and drinking fountain stops into your schedule at appropriate times so you won't have to rush.

HOMEWORK POLICY AND MAKE-UP WORK

It is very important for students to make up for missed work when absent from school. It is the student's responsibility to ask the teacher for make-up work. Parents may call the school to request make-up work for students who may be absent for several days. If you have any questions regarding homework, please contact your son/daughter's teacher.

INSURANCE

An optional student accident insurance is available. Forms will be given to all students at the beginning of school; parents send completed forms directly to the insurance company. Information forms are available in the high school office.

SCHOOL HEALTH POLICIES

The health room is located across from the high school principal's office. The school nurse is routinely scheduled to be in the health room daily from 8:00am to 3:00pm. In case of an emergency, illness, or injury:

1. Report to the school nurse for evaluation.
2. The school nurse is responsible for contacting parents or authorized persons regarding dismissal from school due to illness or injury.

3. When a student returns to class after seeing the school nurse, a slip signed by the nurse is turned in to the teacher.

Administration of Medications at School

The Strafford School nurse may administer medication to students during school hours only when necessary to permit the student to attend school, and to be in compliance with the following school policy. We define medication to mean all drugs, including prescription and over-the-counter medication. To request that we administer medication to your child, you must complete the required form. Your request will be valid only for the medication and dates indicated in writing on the request form. Please send no more medication than is necessary to school. The school requests that parents transport medication for long term or on-going medication to the nurse. All medication, prescription and over-the-counter, must be supplied in the original container which is properly marked. Your pharmacist will provide an additional container that is properly labeled. Asthma inhalers can be carried by the child ONLY if they have a signed order from their doctor; otherwise they should be left with the nurse.

TELEPHONE/CELL PHONES/ELECTRONIC COMMUNICATION

Students are permitted to use the telephone in the office for emergency calls only. Students are called from their classes only if there is an emergency call. Cell phones are not permitted (see Discipline) except if approved by administration. Staff members may communicate with students for educational purposes via electronic communication, including, but not limited to, computers, telephones, and texting, using district-provided devices or personal devices, subject to all district policies, regulations and procedures. (see Board policy GBH)

USE OF LOCKERS

A locker will be assigned to students for the protection of their private possessions. Keep your combination a secret and keep the locker completely locked. Use your locker only, and do not move from your assigned locker. Do not store valuable items in your locker. You do so at your own risk. If any problems occur, see the main office for assistance. School officials have the right to inspect all lockers.

USE OF MOTOR VEHICLES ON SCHOOL PROPERTY BY STUDENTS

Students who drive must have an operator's license from the State of Missouri.

All students must register their vehicles in the principal's office prior to the beginning of school or as soon as the student begins driving to school. Those who drive must observe the following regulations:

1. No student is allowed to sit in a vehicle at any time during the school day.
2. Upon arriving at school, the driver must park his/her vehicle in the designated numbered parking area. The vehicle should be locked and left alone until after school is dismissed or the student leaves for the day.
3. Careless and imprudent driving will not be tolerated; this includes when school is not in session.
4. The school is in no way responsible for vandalism to students' cars.
5. Speed limit is 5 m.p.h. on school grounds.
6. All vehicles shall be properly parked. The vehicle shall be parked in such a manner as not to create a hazard in a clearly marked space.
7. Students must pay a \$5 parking permit fee for the year or \$3 for a semester.
8. Parking permits must be displayed on the rear view mirror at all times.

VISITORS

All visitors to the building are required to report to the principal's office. Students are not to bring visitors to school with them to attend classes/lunch. Strafford High School campus is a closed campus.

STUDENT COMPLAINTS AND GRIEVANCES

Alleged acts of unfairness or any decision made by school personnel, except as otherwise provided for under student suspension and expulsion, which students and/or parents/guardians believe to be unjust or in violation of pertinent policies of the Board or individual school rules, may be appealed to the school principal or a designated representative.

The following guidelines are established for the presentation of student complaints and grievances:

1. The principals shall schedule a conference with the student and any staff members involved to attempt to resolve the problem. Parents/guardians may be involved in the conference, or a later conference for parents/guardians may be scheduled at the discretion of the principal.
2. If the problem is not resolved to the satisfaction of the student and/or parents/guardians, a request may be submitted for a conference with the superintendent of schools. The superintendent shall arrange a conference to consider the problem, and to inform participants of the action that will be taken.
3. If the student and/or parent/guardians are not satisfied with the action of the superintendent, they may submit a written request to appear before the Board of Education. Unless required by law, a hearing will be at the discretion of the Board. The decision of the Board shall be final.

All persons are assured that they may utilize this procedure without reprisal.

PUBLIC COMPLAINTS

A tentative agenda for each meeting of the Board shall be prepared by the superintendent, in consultation with the Board president, and shall be included in the public notice of such meetings. Any member of the Board may request items to be placed on the agenda. The tentative agenda, related materials and minutes of the previous meeting shall be mailed to each member at least four days prior to the stated meeting. The agenda for each meeting of the Board shall be adopted or modified by motion of a majority of those Board members present. Once the agenda is approved, it shall require a vote of a majority of the Board members present to make additional modifications. Any patron or group of patrons desiring to be included on the agenda for the purpose of addressing the Board shall make a request to the superintendent five (5) days prior to the regular Board meeting. The request shall be submitted in writing, and shall provide sufficient detail to explain fully the issue(s) to be discussed. The Board reserves the right to limit the number of and speaking time of spokespersons appearing before the Board. Unless unusual circumstances dictate otherwise, the Board will not make a decision on an issue(s) presented by an individual or group during that particular meeting. The Board reserves the right to waive formalities in emergency situations, within the limitations of state statutes. The superintendent shall cause a sufficient number of copies of the tentative agenda to be prepared and distributed to persons in attendance at the Board meeting.

Consent Agenda

In order to use time within the Board meetings more efficiently, the School Board also utilizes a consent agenda whenever appropriate. Items placed on the consent agenda are routine in nature or are among the many decisions that the Board has already determined are in the domain of the administration. When the consent agenda is presented to the Board for action, the Board President will provide the opportunity for any member of the Board to request a discussion or removal of any item on the agenda. Any item requested to be removed from the consent agenda by a Board member will be placed on the regular agenda or removed from the agenda entirely, depending upon the request of the member and the Board's agreement. Remaining items on the consent agenda are then voted on and passed or denied by a single motion. The minutes of the Board meeting shall include the outcome of the vote and a list of all the items which appeared on the consent agenda.

PUBLIC PARTICIPATION AT BOARD MEETINGS

To provide for full and open communication between the public and the Board of Education, the Board authorizes the following avenues for the exchange of information, ideas and opinions.

Grievance through Established Policy and Procedure

Students, employees and any members of the public are encouraged to utilize established policies and procedures for offering suggestions or addressing concerns and complaints prior to bringing the issue before the Board. The Board believes that many issues can be resolved by communication with teachers, administrators and other staff and may refuse to address an issue if the individual presenting it has not first attempted to resolve the matter through established procedures and policies.

Written Correspondence

Written correspondence may be directed to the Board, through the superintendent, for consideration at a meeting. Copies of all correspondence directed to the Board will be made available to all Board members. Statements of two (2) pages or less are encouraged.

Agenda Items

Any member of the public who wishes to have an item placed on the agenda will present the request in writing to the superintendent or designee. The request must be submitted pursuant to Board policy and received five (5) business days prior to the scheduled meeting. The item will then be appropriately placed on the agenda. The Board reserves the right to impose reasonable restrictions on the number of items to be considered, the number of spokespersons and the speaking time of spokespersons appearing before the Board. If the meeting agenda is full, the Board reserves the right to reschedule an item for the next regular meeting. The Board may refuse to address an issue that has not gone through the appropriate grievance procedure. The Board reserves the right to waive formalities in emergency situations, within the limitations of the law.

Public Hearings

From time to time, the Board will schedule a public hearing to receive input on matters of concern to the community, such as setting the district's tax rate. The public will be provided notice of such hearings as required by law.

Public Comment

A specifically designated time will be set aside for public comments at regular meetings of the Board of Education. The following rules will be applied to the public comment portion of the meeting:

- The Board will establish a time limit for the public comment period.
- No individual will be permitted to speak more than once during this period.
- The Board will establish a uniform time limit for each speaker.
- Only items from the posted agenda may be discussed.

PUBLIC NOTICE

All responsible public agencies are required to locate, evaluate, and identify children with disabilities who are under the jurisdiction of the agency, regardless of the severity of the disability, including children attending private schools, highly mobile children, such as migrant and homeless children, and children who are suspected of having a disability and in need of special education even though they are advancing from grade to grade. The Strafford R-VI School District assures that it will provide a free, appropriate public education (FAPE) to all eligible children with disabilities between the ages of 3 and 21 under its jurisdiction. Disabilities include autism, deaf/blindness, emotional disorders, hearing impairment and deafness, mental retardation, multiple disabilities, orthopedic impairment, other health impairments, specific learning disabilities, speech or language impairment, traumatic brain injury, visual impairment/blindness, and young child with a developmental delay.

The Strafford R-VI School District assures that it will provide information and referral services necessary to assist the state in implementation of early intervention services for infants and toddlers eligible for the Missouri First Steps program.

The Strafford R-VI School District assures that personally identifiable information collected, used, or maintained by the agency for the purposes of identification, evaluation, placement or provision of FAPE of children with disabilities may be inspected and/or reviewed by their parents/guardians. Parents/guardians may request amendment to the educational record if the parent/guardian believes the record is inaccurate, misleading, or violates the privacy or other rights of their child. Parents have the right to file complaints with the U.S. Department of Education of the Missouri Department of Elementary and Secondary Education concerning alleged failures by the district to meet the requirements of the Family Educational Rights and Privacy Act (FERPA).

The Strafford R-VI School District has developed a Local Compliance Plan for the implementation of State Regulations for the Individuals with disabilities Education Act (IDEA). This plan contains the Strafford R-VI School District's policies and procedures regarding storage, disclosure to third parties, retention and destruction of personally identifiable information, and the Strafford R-VI District's assurances that services are provided in compliance with the General Education Provision Act (GEPA). This plan may be reviewed at the Strafford

R-VI School District' Central Office, 210 W. McCabe, Strafford, Missouri, from 8:00am to 3:00pm, Monday through Friday.

Local school districts in the State of Missouri are required to conduct an annual census of all children with disabilities or suspected disabilities from birth to age twenty-one (21) that reside in the district. This census must be compiled by December 1 of each year. This information is treated as confidential and must include: name of child, parent/legal guardian's name/address, birth date and age of the child, the child's disability, and the services provided to the child. If you have a child with a disability or know of a child with a disability who is not attending a public school, please contact the Strafford R-VI School District at 736-7000.

Pursuant to the requirements of state law 162.997-999 RSMo, the State Board of Education is required to appoint a surrogate parent at such time as it becomes evident that a child with a disability does not have a parent, or a person acting as a parent, to participate in matters dealing with the provision of special education. For purposes of surrogate parent appointment, "parent" is defined as a biological parent, a guardian, or a person acting as a parent of a child including, but not limited to, a grandparent, a step parent or a foster parent with whom the child lives.

The term does not include the State if the child is a ward of the State. The term does not include a person whose parental rights have been terminated.

The Strafford R-VI School District is given the responsibility to determine when a child with a disability who requires special education and who resides in the district is without a parent. The Strafford R-VI School District must notify the Missouri Department of Elementary and Secondary Education of the need to appoint a surrogate parent. Training for persons serving as surrogate parents will be provided by the Missouri Department of Elementary and Secondary education and the Strafford R-VI School District.

This notice will be provided in native languages as appropriate.

ATTENDANCE

Regular attendance is a predictor of future success. Two major reasons students fail are poor attendance and a lack of effort. Frequent absences lead to a lack of responsibility. The guidelines of the policy adopted by the Strafford R-VI Board of Education will be followed, refer to board policy JED.

Absences for school-sponsored activities will not be counted as absences when the student is under the direct supervision of a school staff member (field trips, athletic events, music events, speech and debate and club-organization events). Makeup assignments must be completed in advance or at the request of the teacher due to an absence for a school-sponsored activity. College visitation is not counted as an absence when arranged through the Strafford School guidance and counseling office. There is a maximum of two visits per year for juniors and seniors only.

The school cannot teach pupils who are not present. Frequent absence of pupils from regular classroom learning experiences disrupts the continuity of the instructional process, and the benefit of regular classroom instruction is lost. Continual absenteeism does little to develop students' sense of responsibility for their behavior.

In all cases of an absence from school, it is the responsibility of the parent or guardian to telephone the attendance office or appear in person to verify the child's absence. Please call 736-7000, ext. 1400. If there is no contact the student will be considered truant. (see discipline) This verification must be placed by 8:30 a.m. The attendance office will keep a record of all absences. If a student knows of an extenuating circumstance in advance that deems an absence, discuss it with the principal so necessary arrangements may be made in advance.

1. A student will be allowed a total of eight (8) absences per semester from a class period for emergency situations when deemed necessary by the parent and/or guardian. There are no excused or unexcused absences. Students and parents/guardians must assume the responsibility of keeping personal documentation if needed for review. Please make all appointments after school or when school is not in session when possible. Make up assignments will be at the discretion of the classroom teacher. The student must be solely responsible for contacting the teacher on the next day that he or she returns to class.
2. No credit will be given in a class on the ninth (9th) absence unless the prior absences are based on extenuating circumstances. The student may arrange to meet with the Attendance Review Committee. It is very important that no absences are taken for non-extenuating circumstances. Verification of the extenuating circumstances must be brought to the meeting.
3. A student who misses ten (10) consecutive days of school without notification will be dropped from school.
4. An absence is defined as missing 20 minutes or more in any class period.

ATTENDANCE REVIEW COMMITTEE

A student and or parent/guardian may appeal to the Attendance Review Committee (ARC) for extenuating circumstances after the student misses his or her ninth (9th) day. The ARC will consist of the principal, counselor, teachers and parent/guardian. The ARC will only consider the following extenuating circumstances:

- a. long-term illness (verified by a physician)
- b. hospitalization
- c. death in the immediate family
- d. situations over which the student has no control

The appeal to the Attendance Review Committee must be made within ten (10) days following the ninth (9th) absence or before the semester ends where the absences took place. If an appeal process is chosen

after the ARC meeting, the appeal must be directed to the Superintendent of Schools and the Board of Education.

COMPULSORY ATTENDANCE

Regular school attendance is compulsory by law (167.031, 167.033, 167.051) and by the Strafford Board of Education for any student enrolled in the Strafford Schools, unless exempted by law (167.031) or situations over which the student or his/her parents have no control. The school administration and teachers are expected to enforce the law (167.111) and policy regarding regular attendance. Continued truancy will be subject to enforcement in accordance with the law (167.061, 167.071, 167.111). Parents or guardians are compelled by law to cause their children to attend school regularly, (167.031, 167.061). Parents of students failing to meet the compulsory attendance law can be subject to prosecution as outlined in Ordinance 606, City of Strafford. As stated in the ordinance Section 8: any parent, guardian or other person having charge, control or custody of a child, who violates any provision of this ordinance shall be guilty of violating this ordinance and shall be fined no less than One Hundred Dollars, (\$100) and/or imprisonments for up to thirty (30) days, after which each successive school day shall constitute a separate violation of this ordinance.

ATTENDANCE AT OZARKS TECHNICAL COMMUNITY COLLEGE (OTC)

Qualified juniors and seniors may enroll in OTC classes. The counselor should be consulted no later than the third quarter of each school year regarding possible enrollment for the upcoming year. Tuition and transportation costs are paid by the Strafford Schools. Students earn three units of credit if they successfully complete the coursework for an entire year at OTC.

1. Driving to OTC must be pre-approved by OTC and the high school principal.

1st Written Offense: Warning notice describing incident to parent. (If action is severe enough, the student may be suspended by OTC).

2nd Written Offense: Written notice describing incident to parent. The student will sit in an assigned seat. One to three days After School Detention.

3rd Written Offense: Suspension from OTC.

When Strafford Schools are closed due to snow, OTC students are not required to attend OTC. This will not count as an absence.

1. Gain parent/guardian permission prior to leaving campus
2. Sign out in the office prior to leaving school grounds after getting permission
3. Upon returning to school, the student must report to the office and sign in before returning to class.

1st violation: Conference with parent; ASD (2 days)

2nd violation: 1 day ISS

3rd violation: 10 days OSS; referral to the superintendent for further review

AMI DAYS

WHAT DOES ALTERNATIVE METHODS OF INSTRUCTION (AMI) MEAN? - AMI simply allows for the continuation of learning when students miss days of regular instruction due to district closure. Students will have the opportunity for skill reinforcement, remediation and enrichment through

electronic or conventional paper lessons. The Missouri Department of Elementary and Secondary Education has granted the Strafford R-VI School District days this school year on which students will be expected to continue learning off-site (home, etc.). Some benefits of an AMI day include: assisting in eliminating gaps in learning by providing learning activities and reducing the need for days to be added at the end of the school calendar.

How Will AMI Days Work?

- The district will inform parents and students when an AMI day has been scheduled.
- Online resources will be provided by teachers through Google Classroom or other approved online web resources. Teachers will communicate these online options via email, Google Classroom or other regularly used communication platforms (SeeSaw, Remind, etc...) We understand not all students have the ability to work online from home. Google Classroom activities can be downloaded and completed offline; these activities can then be uploaded once the student is able to access internet connectivity.
- Instructions and information will be provided by your child's teachers, and students are expected to complete and submit learning activities within three (3) days of returning to school. If you have questions about learning activities, please do not hesitate to contact your child's teacher through email, or by calling your child's classroom teacher's telephone extension (voicemail messages will be sent to teachers via email) as teachers will be monitoring their emails during regular school hours.

IMPORTANT POINTS TO REMEMBER FOR AMI DAYS AT Strafford R-VI:

- Students will NOT attend school on an AMI day. All students will have instructional activities to be completed at home on AMI days.
- AMI days count as instructional days and do not have to be made up at the end of the school year if students and staff complete assigned work.
- Students who do not complete and submit AMI assignments, within three days of returning to school, will be marked absent for the related AMI day.
- Please access your Google Classroom(s) for clear directions and expectations from each of your teachers. Follow all instructions provided and submit completed work through your Google Classroom(s). Students are familiar with using this platform already as they use it daily in their classrooms. If you need assistance, please let your classroom teacher and building principal know.
- As we implement this new method, we anticipate that we will learn lessons along the way and make necessary adjustments to improve our AMI plan to best meet the needs of our students. If you have further questions or concerns, please do not hesitate to phone or email your child's school.

STUDENT DISCIPLINE

The Student Code of Conduct is designed to foster student responsibility, respect for others, and to provide for the orderly operation of district schools. No code can be expected to list each and every offense that may result in disciplinary action; however, it is the purpose of this code to list certain offenses, which if committed by a student, will result in the imposition of a disciplinary action that is appropriate to the age and developmental level of the child. These disciplinary actions may range up to the consequences listed. Any conduct not included herein, any aggravated circumstance of any offense, or any action involving a combination of offenses may result in disciplinary consequences, including corporal punishment, that extend beyond this code of conduct as determined by the principal, superintendent, and/or Board of Education. In addition, placement in an alternative education setting, in keeping with the Safe Schools Act, may be used by administrative decision. This code of conduct is in force on all school property, on school buses, and at school activities regardless of whether or not school is in session. In extraordinary circumstances where the minimum consequence is judged by the superintendent or designee to be manifestly unfair or not in the interest of the district, the superintendent or designee may reduce the consequences listed in this policy, as allowed by law. This code includes, but is not necessarily limited to, acts of students on district property, including playgrounds, parking lots, and district transportation, or at a district activity, whether on or off district property. The district may also discipline students for off-campus conduct that negatively impacts the educational environment, to the extent allowed by law (House Bill 1543).

Disciplinary Definitions

- 1) **Detention:** Detention will be held after school and/or during lunch. Failure to attend detention without permission will result in serving in-school suspension in lieu of the assigned number of detentions plus one additional day of ISS.
- 2) **In-School Suspension:** In-school suspension is used for various violations of school policy. It is designed so that the student has the opportunity to work on classroom assignments in a restricted setting under the direct supervision of a staff teacher. Failure to abide by in-school suspension rules will result in out-of-school suspension.
- 3) **Out-of-School Suspension:** Out-of-school suspension is used when a student violates a significant school rule or commits repeated violations or inappropriate behavior in ISS. Students suspended out of school are ineligible to attend or take part in school-related activities. The student will receive half (50%) credit for any completed assignment, test, quiz, project, etc. assigned while suspended. The work may be completed during or after the suspension.

Reporting to Law Enforcement

It is the policy of the Strafford R-VI School District to report all crimes occurring on district property to law enforcement, including, but not limited to, the crimes the district is required to report in accordance with law. A list of crimes the district is required to report is included in policy JGF.

The principal shall also notify the appropriate law enforcement agency and superintendent if a student is discovered to possess a controlled substance or weapon in violation of the district's policy.

In addition, the superintendent shall notify the appropriate division of the juvenile or family court upon suspension for more than ten (10) days or expulsion of any student who the district is aware is under the jurisdiction of the court.

Documentation in Student's Discipline Record

The principal, designee or other administrators or school staff will maintain all discipline records as deemed necessary for the orderly operations of the schools and in accordance with the law and policy JGF.

Conditions of Suspension, Expulsion and Other Disciplinary Consequences

All students who are suspended or expelled, regardless of the reason, are prohibited from participating in or attending any district-sponsored activity, or being on or near district property or the location of any district activity for any reason, unless permission is granted by the superintendent or designee. In addition, the district may prohibit students from participating in activities or restrict a student's access to district property as a disciplinary consequence even if a student is not suspended or expelled from school, if appropriate.

In accordance with law any student who is suspended for any offenses listed in § 160.261, RSMo., or any act of violence or drug-related activity defined by policy JGF as a serious violation of school discipline shall not be allowed to be within 1,000 feet of any district property or any activity of the district, regardless of whether the activity takes place on district property, unless one (1) of the following conditions exist:

1. The student is under the direct supervision of the student's parent, legal guardian, custodian or another adult designated in advance, in writing, to the student's principal by the student's parent, legal guardian or custodian, and the superintendent or designee has authorized the student to be on district property.

3. The student resides within 1,000 feet of a public school in the district and is on the property of his or her residence.

Strafford R-VI School District, Strafford, Missouri

Interrogations and Searches

Interview with Police or Juvenile Officers/Other Law Enforcement Officers

The Strafford R-VI School District has legal jurisdiction over students during the school day and hours of approved extracurricular activities. The school administration is responsible for making an effort to protect each student's rights with respect to interrogations by law enforcement officials. When law enforcement officials find it necessary to question students during the day or periods of extracurricular activities, the school principal or designee will be present.

Students will be afforded the same rights in dealing with law enforcement officials that exist outside the school; parents must be notified, students must be informed of their constitutional rights by the law officials, students may remain silent if they so desire and then must not be subjected to coercion or illegal restraint. However, within the framework of legal rights, students have the responsibility to cooperate with law enforcement officials.

SEARCHES BY SCHOOL PERSONNEL/CANINE

School lockers and desks are the property of the Board of Education and are provided for the convenience of students and as such are subject to periodic inspection without notice. The lockers and desks may be searched by school administration who have a reasonable suspicion that the lockers or desks contain drugs, alcohol, material of a disruptive nature, stolen properties, weapons, or other items posing a danger to the health or safety of students and school employees.

For the safety of students and staff, random drug searches will occur throughout the school year using specially trained sniffing dogs. These animals will be used to conduct periodic random searches of student lockers and personal belongings and campus vehicle parking areas. Student property, including vehicles may be searched based on reasonable suspicion of a violation of district rules, policy or state law. Reasonable suspicion must be based on facts known to the administration, credible information provided or reasonable inference drawn from such facts of information. Personal searches and searches of student property shall be limited in scope based on the original justification of the search. The privacy and dignity of students shall be respected. Searches shall be carried out in the presence of adult witnesses and never in front of other students. Students shall not be required to undress, although they may be asked to empty pockets or remove jackets, coats, shoes and other articles of exterior clothing for examination if reasonable under the circumstances.

Law enforcement officials shall be contacted if the administration reasonably suspects that a student is concealing controlled substances, drug paraphernalia, weapons, stolen goods or evidence of a crime beneath his outer clothing and the student refuses to surrender such articles. Law enforcement officials may be contacted in any case involving a violation of law when a student refuses to allow a search or where the search cannot safely be conducted. Parents may also be contacted.

REMOVAL OF STUDENTS FROM SCHOOL BY LAW ENFORCEMENT OFFICIALS

An officer of the law may take a student from the school only if the officer has ready for service a subpoena, a warrant for arrest, or an order for civil arrest. The school principal will attempt to notify the student's parent/guardian that the student is being removed from school. Occasionally, a principal may find it necessary to call the law enforcement officials for assistance in handling a student case, responsible for a serious offense committed at school. In such a case, the officials may not arrest the student unless a sworn complaint is filed.

However, the circumstances may, from time to time, justify the removal of the student from school in the absence of a complaint or warrant.
